### **DRI Welcomes Project Manager for Public Safety and Federal IT Practice**

**Solon, Ohio – Direct Recruiters, Inc.**, Executive Search Firm, is pleased to announce that Doug Kellermeyer joined them as a Project Manager for the Public Safety, Public Sector and Federal IT Practice Area.

As a Project Manager, Doug works alongside Practice Leader, Ryan Lange, and Executive Recruiter, Aaron Kutz, to source and qualify candidates and identify and acquire the industry's top talent. Doug is very determined and goal-oriented, loves learning, and developing new skills that allow him to take on difficult and complex challenges.

Prior to joining DRI, he worked as a marina assistant for the past three summers, which involved mechanical problem diagnosis of inboard and outboard boat engines, as well as a significant degree of customer-facing responsibilities.

Doug graduated with a BA in Chemistry from Bucknell University, Lewisburg, Pennsylvania in 2015 where he worked as a Research Assistant studying fluorescence. He also served as a Residential Advisor and was an active member of the Tau Kappa Epsilon Fraternity, specifically as Recruitment and Alumni Relations Chair.

In his free time Doug enjoys boating, skiing, SCUBA diving, and following Cleveland sports teams.
