DPT 200

This is an advanced 24-hour (3 days) combined theory and technical training program designed specifically for utility locators with **a minimum of three years direct industry locating experience**. In order to qualify for this course, applicants must supply a signed letter from their employer on company letterhead confirming that they have the required practical locating experience, **minimum 3 years**. This accelerated program covers the same material as the DPT100 but with a large portion of pre-work completed prior to class.

Gold Seal Accreditation – Earn **3 Credits** towards Gold Seal Certification through the Canadian Construction Association.
