

"Sharing Best Practices: COVID-19" Webinar: Recording Now Available

On Thursday, April 23, the League of Champions presented its first webinar, "Sharing Best Practices: COVID-19", featuring five LOC Health and Safety professionals. Over 100 people registered to attend the webinar.

Opening speakers were Craig Lesurf, LOC Chairman and Gillam Group President, and David Frame, OGCA Director of Government Relations. The webinar was moderated by Dan Fleming, NORCAT-GTA Manager. The topics presented by the speakers were as follows:

- Self-Assessment Survey – Pre-Screening by Michael Mancini, Matheson Constructors Health and Safety Manager
- Applying Physical Distancing Protocols by Bruno Alves, Stuart Olson Construction Regional Health and Safety Manager
- Working with Your Subs – Committed Contractor by Corey Lofft, Pomerleau Regional Health and Safety Manager – GTA
- Thermal Screening Procedure and Facial Fabric Coverings by Craig Sparks, Maple Reinders National Health and Safety Manager
- E-learning Module on Construction Protocol by Sobi Ragunathan, 4S Consulting Senior Compliance Partner

Thank you to all the speakers and guests, and to the OGCA and LOC members, and their association members who supported this webinar and made it a success. We are working hard to provide excellence in construction safety to you and our industry.
