
CRA's Golf Tournament Events

By Katie Marrs, Carol Murphy & Eddie Wilson

Thank You to West Coast Equipment for hosting the GLAO/Inland Pre-Golf Yard Party! Nearly 100 people enjoyed great food and conversation with friends while listening to Drew Delaney give an overview on CARB. Also, a special thank you to Makita for being our beverage sponsor.

The annual RSIF golf tournament is one of the yearly events CRA members always look forward to attending and this year's 6th Annual CRA/RSIF Golf Tournament was a top notch, best ball, hole-in-one kind of day!! Everyone gathered for a day of social networking and a bit of golf. The energy in the air was intoxicating.

There was so much more for the players than just a round of golf—not only did they get to interact with all the vendors on almost all the holes, but there was also wine tasting on one of the holes this year.

As the day began to wind down, CPEE Sales treated everyone to an authentic Cuban cigar rolling experience by Zaira from VB Cigars, and Sullivan-Palatak and Multiquip co-hosted a whiskey tasting of five whiskeys, with information about each provided by Tommy Hwang. **Fun fact:** the most popular whiskey was Howler Head, a banana whiskey.

After the Golf Tournament, the CYRP hosted a get together at Shamrocks Bar & Grill for some appetizers, drinks, and a little karaoke. We have some songbirds among us! Larry Andrade from Multiquip and Ashely Fisher from City Rentals brought their A game. It was an evening full of laughter and laid-back networking! All in all, the day's events were a great success—not only did we raise money for the RSIF, but finally, after such a long time, we were able to meet face to face!

The CYRP booth had great interaction from all the foursomes that stopped by. Seeing the outpouring of support from all our members really puts into perspective how impactful our association can be when like-minded individuals come together.

There was a great feeling of comradery and gratitude this year among all attendees: players, vendors, and all the volunteers. This was a fantastic event to finish off the year and definitely helped generate excitement for the upcoming CRA tradeshow.
