Board member

Jubilee Residences Inc., is a non-profit organization operating Porteous and Stensrud Lodges in Saskatoon, with 200 long term care beds and also operates 260 housing units including 244 senior housing. Jubilee Residences has approximately 500 staff supporting our mission.

Jubilee Residences is currently seeking board members, prepared to serve an initial two year term. We are interested in a candidate who has served as a Human Resources professional with qualifications that provide appropriate stewardship to the governance of Jubilee Residences, with an interest in long-term care and/or senior housing. A CHRP designation is an asset.

The Board meets at lunch times (11:45 to 1:30) usually 6 times between September to May with an Annual General Meeting in June. The organization operates with two Committees and encourages board members to serve on at least one Committee. Committees also meet approximately six times per year. All Board members are volunteers.

Interested individuals should submit a resume and/or an expression of interest to Oleksandra Dobushovska at Oleksandra.Dobushovska@saskhealthauthority.ca by Friday 25 April 2025 noon.
