

FREE WEBINAR

March 23 | 3:30 PM EST

PAVEXpress Overview

This presentation will give a brief overview of PAVEXpress, a free, web-based flexural and rigid pavement design software. This webinar will focus on the asphalt pavement thickness design portion of PAVEXpress which is based on the 1993 *AASHTO Guide for Design of Pavement Structures*.

KEY TAKEAWAYS

- 1 How to access PAVEXpress and use it for pavement thickness design
- 2 Learn to quickly evaluate various pavement design considerations
- 3 Learn to evaluate the cost effectiveness of different designs which are structurally equivalent
