

Perpetual Pavements By Conversion

FREE Webinar

October 13/2:00 PM EDT

This webinar will introduce traditional and conversion Perpetual Pavement design concepts with emphasis on the development of the design and application using **PerRoad** and **PAVExpress**. Real world case studies will be presented.

Speaker

Dave Timm, Ph.D.

Brasfield & Gorrie Professor of
Civil & Environmental Engineering
at Auburn University

PARTICIPANTS WILL:

- 1 Learn the fundamental concepts needed to convert an existing pavement into a Perpetual Pavement
- 2 Understand how **PerRoad** and **PAVExpress** can be used to facilitate Perpetual Pavement design by conversion
- 3 See real-world examples of converted Perpetual Pavements
