If you are interested in pursuing the PCP Master Installer Certification - don't miss this opportunity. Take advantage of the Florida sunshine and warm temperatures, low airfares, and convenient mock-up to take both insulation and roofing field exams both in one day.

**IMPORTANT TO NOTE:** It does not matter which order you meet the certification requirements. You can take the Field Exam first and then complete all the other requirements at your convenience. You need to successfully complete all requirements in order to become certified, however, it does not matter in which order you do them.

## BENEFITS FOR YOU

• No down time • No use of your own equipment • No use of your own material • Best of all - No Money!
