

Planning Committee Update

By Cathy Pierce

Have you seen the joke going around – “I’m staying up till midnight on New Year’s Eve; not to welcome 2021 in, but to make sure 2020 goes out.”

Well, regardless of how we feel about 2020, we did have a somewhat successful (albeit a smaller one) 2020 Annual Meeting. Who would have thought that we would be able to raise nearly \$30,000 for our Education Program and without an auction? It was good to see people (even with masks on), play a little golf, visit with old friends while making a few new ones, and **recognize Francye Hutchins!** We plan to have Part 2 for Francye at the 2021 Annual Meeting for those who were unable to attend this year.

On to Galveston! The 2021 TMRA Annual Meeting will be held October 17-19 at the Hotel Galvez. Robert Gentry is on the ball and has already secured a location for the golf tournament. Golfers will gather at Moody Gardens on Monday, October 18. Details will follow much closer to the event. In addition, we hope to have bay fishing as an option this year so stay tuned.

Your Planning Committee needs **your** input. If this is the year to move things around, shorten the meeting, add or deleted something, let us know. Things are changing in our industry and we are looking for ideas for the Annual Meeting.

So, mark your calendars! We hope that COVID will have settled down somewhat so that some things can get back to normal.

Hotel Galvez in Galveston

2021 TMRA Annual Meeting

October 17-19, 2021

Hotel Galvez

Galveston, Texas
