

"The CNO Academy was a very inspiring time of connecting with leaders across the nation with very similar issues and concerns. We learned so many valuable tools to take back to our workforce and to promote our teams to become highly engaged."

- Teresa Billig, Associate CNO

CNO Academy I: New & Aspiring CNOs

March 23-26, 2022 San Antonio, TX

REGISTER

This program is designed to help facilitate a smooth integration and transition into a senior nurse executive role:

- **Creating a Compelling Vision** – Focus on important CNO requirements
- **Develop action plan** to address specific challenges
- **Master strategies** that link the value of nursing to key initiatives
- Learn how to **align the nursing strategic plan** from the boardroom to the bedside
