

TECC

2ND EDITION PROVIDERS COURSE

WHEN

June 24th and 25th
8:00am - 5:00pm

WHERE

Collin College
Public Safety Training Center
3600 Red Bud Blvd McKinney, TX 75071

COURSE COVERS:

- Hot Zone/Direct Threat Care that is rendered while under attack or in adverse conditions.
- Warm Zone/Indirect Threat Care that is rendered while the threat has been suppressed but may resurface at any point.
- Cold Zone/Evacuation Care that is rendered while the casualty is being evacuated from the incident site.

The 16-hour classroom course includes all new patient simulations and covers the following topics:

- Hemorrhage control including immediate action drills for tourniquet application throughout the course;
 - Complete coverage of the MARCH assessment;
 - Surgical airway control and needle decompression;
 - Strategies for treating wounded responders in threatening environments;
 - Caring for pediatric patients;
 - Techniques for dragging and carrying victims to safety; and
- A final, mass-casualty/active shooter event simulation.
