Fellow Chiefs,

It is my pleasure to invite you and your staff, both uniform and civilian, to San Antonio for Fire Rescue International August 24-26. This conference is filled with educational classes taught by some of the most influential people in our field, and is sure to have something for everyone in your agency from the firefighter to the Fire Chief.

On Wednesday, August 24 through Friday August 26, Fire Rescue International will also feature an Exhibit Hall that will occupy over 300,000 square feet in the Henry B. Gonzales Convention Center. This event will feature vendors from all over the world who will be presenting their products to include everything from vehicles, software, medical equipment, fire tools, and clothing.

One of the reasons we are so excited to host this conference is that it allows us the opportunity to bring a world class educational experience and Exhibit Hall to our area. We understand that budgets are tight in many organizations, which impedes many departments and their personnel from seeing what this conference, or ones like it, have to offer. That being said, it is my pleasure to offer you and your personnel an opportunity to register for an Exhibit Hall Pass for no charge.

To register for your free Exhibit Hall Pass Follow the instructions below. The process takes about 10 minutes and the code can be used as many times as needed.
