

Florida State University & North Carolina State University Female Firefighter PPC Study

Are you a U.S. active-duty
structural and/or wildland female
firefighter?

If so, you're invited to participate
in a FEMA-sponsored nationwide
3D body scanning study to develop
better fitting women's PPE.

Scan To Participate

- Complete informed consent
- Download free Me360 app
- Complete and share scan
- 5-10 minutes to complete
