

**STEPS TO  
SAFETY™**  
PREVENT FIRE & FALLS AT HOME

## Older Adult Fire & Fall Prevention Training

May 18, 2023

9:00am-3:00pm

Greenville, TX Civic Center

Remembering When™ Older Adult Fire and Fall Prevention Program is now  
**Steps to Safety™ Prevent Fire and Falls at Home**

**What:** Steps to Safety™ (STS) pairs fire service/EMS with their community partners to educate, engage, and bring key resources to their older adults to reduce the incidence, injuries, and deaths from fire and falls. STS is delivered through group presentations, home visits, and the creation of a network of referral and resources to support older adults to live safely and independently at home. This enhanced program contains new messaging, video and social media assets, and enhanced educational materials.

**Who:** This training is open to all fire service, EMS, public health, injury prevention, elder care, and social service professionals who want to work together to reduce the impact of fire and falls among the older adults in their community. Prior Remembering When™ experience is great but not necessary!

**How:** Register for this FREE Hybrid training opportunity in which you will complete a 3-hour on-line course prior to participation in a ½ day in person Train the Trainer session.

**Training objectives:** As a result of this training, participants will be able to:

- Deliver engaging presentations educating your audience on the key fire and fall messages
- Conduct a basic level home visit to identify hazards and engage residents in creating a safe environment
- Identify & connect with community partners to implement Steps to Safety™
- Create a community resource network to support older adults and their caregivers
- Train peer professionals in the key concepts and processes of Steps to Safety™

REGISTER Today – Space is limited to 125 people. Please register at:
