The TSBPE now allows **ALL** plumbers to complete their annual continuing education requirement for license renewal via correspondence course (mail) regardless of where they reside.

- When you place a correspondence order online or by phone, we ship you a packet (USPS Priority) containing a CE textbook, 150 True/False questions, and a two page answer sheet.
- The test is an open book test and the test booklet gives you guidance on where to locate the answer within the textbook.
- You return only the answer sheet to us via email, fax or mail/delivery.
- We follow a strict same day turnaround policy, meaning we grade your answer sheet and transfer your credit to the TSBPE the same day we receive it. We will also mail a hard copy of your certificate of completion and test score.
- If by chance you don't score a 70% or higher on your test, we will return your original answer sheet so you can see what questions you missed.

END OF YEAR CORRESPONDECE CLOSEOUT SALE! THIS MONTH ONLY!
