

The Virginia Apartment Management Association's New River Valley chapter hosted their annual Summit Awards on Tuesday, December 8, 2020. The Summit Awards recognize excellence in the field of property management, and are usually held in a gala format, but were held virtually this year due to guidelines related to COVID-19. Each year impartial judges tour New River Valley area communities and review both individual and team questionnaires, and have recognized the following apartment communities and staff as leaders in the field of property management.
