

The VAMA Blue Ridge Chapter hosts the Tammy Garrison Food Drive every spring to support the Blue Ridge Area Food Bank (BRAFB). In 2023, we had 4 communities participate in the donation drive for non-perishable food items and we also received monetary donations. Collectively, our organization was able to donate \$250.00 plus 1,027 lbs of food to BRAFB. The food and monetary donations combined are comparable to 2,227 lbs of food. We are happy to support such a worthy cause.
