Breedon Construction to Rebuild for Newport News Redevelopment and Housing Authority

Richmond, Va.—June 17, 2021

Breedon Construction, a nationally acclaimed [multifamily builder](#), is pleased to announce they have been awarded the contract to serve as general contractor to redevelop the first two phases of the Newport News Redevelopment and Housing Authority's Marshall-Ridley Choice Neighborhood. Newport News Redevelopment and Housing Authority is the developer for the project. The \$18.5 million renovation project includes redevelopment of 81 total multifamily units. Construction is set to begin late June 2021.

ABOUT BREEDEN CONSTRUCTION

Richmond, Virginia based Breedon Construction is a design and build general contracting company committed to construction excellence, creativity, and industry leadership. The firm has been providing general contracting services for The Breedon Company's own portfolio for more than five decades. In that time, Breedon Construction has constructed over 10,000 multifamily units, over 2 million square feet of commercial, retail and mixed-use space, countless tenant improvements and up-fits, numerous residential subdivisions and 1,700 residential homes. In 2011, Breedon Construction opened services to third-party clients in need of its expertise in all phases of the design, building and development of multifamily, mixed-use communities, commercial office and retail properties and tenant up-fits. The vast capabilities of Breedon Construction have made them one of the most dynamic firms of its kind in the country.
