Rocket MGA dba Rocket Flood

West Palm Beach, FL

Rocket MGA is a one-of-a-kind flood platform. They are an A rated AM Best Flood Insurance MGA, Flood insurance comparative rater, and flood insurance sales automation platform. When an agent signs up with Rocket MGA, they are directly appointed with nine flood insurance carriers offering 14 unique programs, including NFIP Risk Rating 2.0. All 14 programs are rated instantly in their comparative rater, no elevation certificate is required.

They are a forward-thinking, results-driven company, with decades of experience. Rocket Flood utilizes the same tech used by NASA and the U.S. Government to obtain highly detailed images of the terrain to provide elevation data points, used to determine elevation discounts for policies. Their technology and streamlined process does not require long forms to be filled out... Simply type in the address and answer a few quick questions to secure the best flood coverage available!

Their programs can provide coverage up to \$20,000,000 for building and up to \$5,000,000 for personal contents. In addition to these increased limits Rocket Flood also offers coverage enhancements such as Replacement Cost on Contents, Loss of Use, Loss of Rents, Other Structure Coverage, Basement Contents, and Pool Repair/Refill.

They are focused on making the process of procuring insurance as simple and as smooth as possible. They feel being a member of the IIAV will allow them to become more engaged with the Virginia Insurance marketplace and help them build on their branding, and name recognition.

BELFOR Property Restoration

Chesapeake, VA

BELFOR's mission is to be the leading provider of value-added solutions to their customers. They are proud to be ranked #1 for the 23rd consecutive year in *QUALIFIED REMODELER* Magazine's Top 500 list and the leading remodeling contractor for insurance restoration.

They focus on insurance restoration, but they know they are "restoring more than property" – they are rebuilding homes and businesses destroyed by devastating losses and restoring pride in communities. What sets them apart from most remodelers is their ability to work within the tight cost constraints imposed on them by insurance adjusters.

At BELFOR, their culture is built upon the foundation of three basic principles: integrity, loyalty, and commitment to themselves, and to our customers. They always apply the most environmentally friendly and lowest-impact restoration methods available. Their company complies with all national and international environmental protection laws. In addition, BELFOR is committed to developing ways in which they can perform their business in a more sustainable manner.

They are focused on making the process of restoring property and lives back to normal as simple and as smooth as possible. They feel being a member of the IIAV will allow them to become more engaged with the Virginia Insurance marketplace and help them build on their branding, and name recognition.
