

Virginia Agents Political Affairs Committee

Established in the mid-1970's by the Independent Insurance Agents of Virginia, VAPAC's mission is simply stated: To consolidate contributions from industry leaders and help elect or re-elect Virginia legislators who support the independent agency system. VAPAC reviews the voting records of state legislators and works to support those legislators who recognize the importance of making the Commonwealth of Virginia a good place in which to do business. Please mail your VAPAC contribution to 8600 Mayland Drive Richmond, VA 23294. Or fax to 804-747-6557

PROTECTING THE INTERESTS OF INDEPENDENT INSURANCE AGENTS AND THE INDEPENDENT AGENCY SYSTEM

Issues of importance to independent agents range from licensing issues, business regulation, and insurance industry specific such as regulation of certificates of insurance, Workers Compensation, property/casualty and life health issues. Recent legislative issues have also involved privacy liability, tort reform and cyber liability.

Virginia now has some of the lowest auto, homeowner, and Workers Compensation premiums in the nation and that's due in large part to maintaining a regulatory and legislative climate that's good for business. VAPAC supports legislators who support this goal.
