ENDORSED PROGRAM

AGC members can get up to \$1000 private offer toward the purchase or lease of most new GM vehicles. Contact one of the Business Elite dealers above or www.gmfleet.com/agc.

¹Covers only scheduled oil changes with filter and tire rotations according to your new vehicle's recommended maintenance schedule for up to 2 years or 24,000 miles, whichever comes first. Does not include air filters. Extra charge may apply for dual-rear-wheel tire rotations. Maximum of four service events. See participating dealer for other restrictions and complete details. ²Not valid with all offers. Allowance amounts include parts and labor. See dealer for details. Take delivery by 9/30/15. ³Fully backed by GM. GM Accessories permanently installed at the time of new-vehicle delivery are covered under the New-Vehicle Limited Warranty. If installed after delivery, coverage on parts and labor is for the balance of the new-vehicle warranty or a minimum of 12 months or 12,000 miles, whichever comes first. GM Accessories not requiring installation or purchased over the counter carry a 12-month limited warranty on parts only. Does not apply to licensed products. Take delivery by 9/30/15. ⁴Requires available Snow Plow Prep Package (VYU) and Snow Plow Uplift. Snow Plow Uplift cash is good for the transfer of an existing snow plow. Take delivery by 9/30/15. ⁵Adrian Steel van equipment is warranted by Adrian Steel to be free from defects in material and workmanship, under normal use and service, for a period of 3 years or 36,000 miles, whichever occurs first, from the date of delivery to the original retail purchaser when installed by an authorized Adrian Steel distributor. Adrian Steel is a registered trademark of Adrian Steel. Adrian Steel packages available via transportation fee of \$200. See dealer for details. Take delivery by 9/30/15. ⁶To qualify, vehicle must be used in the day-to-day operations of your business and not solely for personal/non-business-related transportation purposes. Must provide proof of business. For complete program requirements, including information regarding offers, vehicles, equipment, options, warranties, and ordering, consult your Chevrolet dealer or visit gmbusinesschoice.net. Take delivery by 9/30/15. ⁷According to your vehicle's recommended maintenance schedule for up to 3 years or 30,000 miles, whichever comes first. Does not include air filters. Covers six oil changes for gasoline engines and four oil changes for diesel. Extra charge may apply for dual-rear-wheel tire rotations. See participating dealer for restrictions and complete details.

FOUND AN ERROR?

We've done everything possible to ensure that the information in this directory is totally correct as of press-time. But sometimes, as in any human endeavor, unfortunate errors do occur. If you find that any of the information contained in this directory is inaccurate or out of date, please let us know about it so that we can correct our records and ensure that next year's edition is even more accurate. Our office staff relies upon this directory as much as you do, and we certainly want this information to be as error-free as possible.

Please take a moment now to fill out this correction form and send to the AGC Office at:

HEADWATERS

RESOURCES

DELIVERING SUSTAINABLE SOLUTIONS

After water, concrete is one of the most sustainable and widely-used materials in the world.

Fly ash plays an important role in increasing the sustainability of concrete. Headwaters Resources is the nation's leader in supplying quality fly ash. We can help you discover how to improve the performance of your concrete while simultaneously improving its environmental profile.

Visit www.flyash.com for answers to the most common questions about fly ash. You can also contact your expert Headwaters Resources technical support representative for advice on your specific sustainability opportunities.

BUILT FROM THE BOTTOM LINE UP.

We build mini skid steers for one main purpose: to provide customers with the best financial investment. That's why we build them to be more durable, versatile, powerful, and efficient than the competition.

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Buyers' Guide

More Competitive. More Accurate.

RDO Equipment Co. and RDO Integrated Controls

JOHN DEERE

RDO Equipment Co., and its positioning division, RDO Integrated Controls are partnering to help integrate machine control technology in your business. By pairing John Deere machines and Topcon machine control, we have the expertise and talent to support you when you add these new technologies to your fleet. Our philosophy is to increase your profitability and lower your risk by making your business more competitive, more accurate, and more efficient in all phases of your construction processes.
